

The answers in this quiz come in pairs, but are not adjacent, e.g. Q3's pair might be Q9 or Q14. And by 'pairs', we mean that for each answer there is ANOTHER answer that is either:

- an **anagram** of that answer (e.g. FIG & GIF)
- a **homophone/soundalike** of that answer (e.g. IDLE & IDOL), perhaps approximate in some cases!
- a word or phrase with a (roughly) **opposite meaning** to that answer (e.g. LITTLE & LARGE)
- a word or phrase differing only by the **addition/removal of one letter** (e.g. BILE & BIBLE) or the **replacement of one letter** in that answer (e.g. BRONZE & BRONTE)

All answers must be spelled **100% correctly**. Please write your answers clearly in BLOCK CAPITALS. Thanks.
